

MACHINE SHOP SAFETY TRAINING

HOW TO SIGN UP

You must have between 4 and 8 people in a group to schedule a class.

Email **Richard.Pierson@unt.edu** with the names and UNT email addresses of those who want to attend. Time and date of the class will be determined through email.

WHAT TO BRING

On the day of your appointment dont forget to have:

- Closed Toe Shoes
- Pants
- Shirt
- Hair Tie (if needed)
- Safety Glasses
- UNT Student ID
- Pen (to fill out a form)

WHAT YOU GET

Upon completion of this course you will have access to the shop tools and listed machinery. If you have questions or need help with your project a lab assistant will be present to assist you.

In this 3 hour class you will learn how to safely use the:

- Drill Press
- Vertical Band Saw
- Horizontal Band Saw
- Bench Grinder
- Belt Sander
- Finger Brake
- Sheet Metal Roller
- Hydraulic Shear

Access to the mill and/or lathe will require additional training
